Computer Furniture

ARIZONA CORRECTIONAL INDUSTRIES
A DIVISION OF ARIZONA DEPARTMENT OF CORRECTIONS

MISSION

❑ To make available within the state correctional institutions opportunities for employment of inmates in jobs which combat idleness and develop good working habits.

❑ To provide training and work experience that will assist inmates in eventually securing and holding gainful employment outside the correctional institution.

❑ To reduce the cost to society of maintaining an inmate through the sale of inmate-produced goods and services and by requiring and enabling inmates to pay some portion of their room and board costs.

❑ To require and enable inmates to make restitution to the victims of their offenses, so as to assist the inmates in accepting responsibility for the consequences of their acts.

❑ To require and enable inmates to provide assistance to their dependents thus tending to strengthen family ties.

❑ To require and enable inmates to accumulate savings for their eventual return to the community.

VISION

ACI's compelling vision is to maintain its momentum of successfully accomplishing legislative and departmental objectives while integrating and balancing strategic plans with the necessity to be a purely "customer driven" organization that serves all of its customers as a quantifiable value-added partner.

When it comes to furnishing a computer center or creating an individual workstation, Arizona Correctional Industries can provide the furniture you need to complete the task quickly and affordably. ACI offers computer desks, printer stands, and seating. ACI's office furniture is designed with ergonomics in mind. ACI furniture can be coordinated to compliment your current interior design, with a variety of laminates and fabrics to choose from.

ACI's computer desks have been engineered to meet the requirements and changing needs for the library or classroom. The two person units can be arranged with side by side seating, or back to back seating, depending on room constraints or instructor preference. Optional accessories include CPU tower holders, modesty panels, wire management trays, and keyboard trays. The tabletop is constructed of a thick particle board core with your choice of laminate styles, and is trimmed with vinyl bumper molding.

ACI's wood laminate workstations have been designed to provide an optimal work surface with ample storage both above and below the work area. Keyboard trays, slide out printer shelves, filing and pencil drawers can be added beneath the work surface. A hutch provides additional overhead storage allowing room for diskettes, CDs, reference materials, and other items that need to be easily retrievable.

Undershelf task lighting is available to provide supplemental light, thus creating a more comfortable working environment. There are over 150 laminate colors and textures available to meet your color and design needs.

COMPUTER FURNITURE

We have developed a line of sturdy, low cost and space-efficient data-processing tables, suitable for classroom use or in an office where space is at a premium. Every table is constructed with a heavy duty uni-weld metal frame, double-wall heavy gauge steel sides and 16 gauge tubular steel legs. The tops are made with high-grade laminates, with radius corners and impact resistant vinyl T molding.
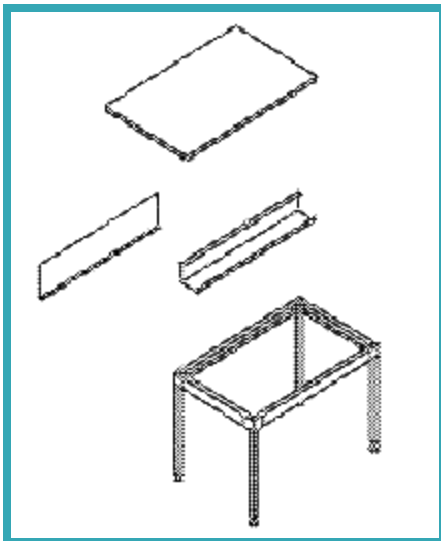

ACI's sensibly priced computer table offers all the features necessary for comfort and function. Their strong steel frames provide solid support for sensitive equipment. Modesty panels are standard on all units.
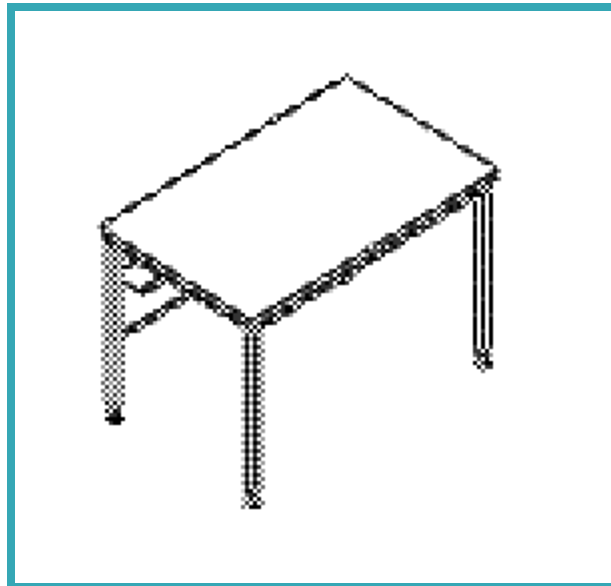

Students First Desk

WM-1018   Students first single data table, 30"l x 24"w x 29"h. Table comes standard with slideout keyboard tray (ESW 60 lbs.)

Computer Table with Removable Legs

WM-1006   Computer Table 30"x48" with removable legs in available heights of 25", 27", and 29" (ESW: 65 lbs.)
MP-1006/4   Modesty Panel (48")
WM-1006/4   Cableway Tray (48")
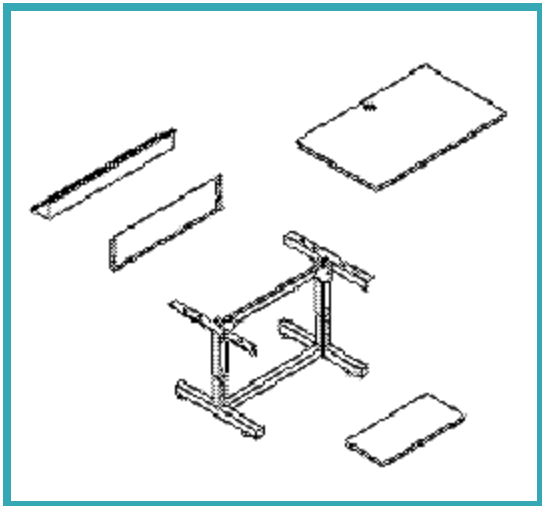

Computer Table with Removable Legs

These ruggedly built tables have tubular steel construction for strength and durability. Computer table bases are metal and come in a variety of configurations. The bases are powder-coated to your specific color for greater durability. Choose from removable or permanent legs in adjustable or fixed heights depending upon your needs. Our standard legs have leveling glides or can be fitted with casters upon special request.
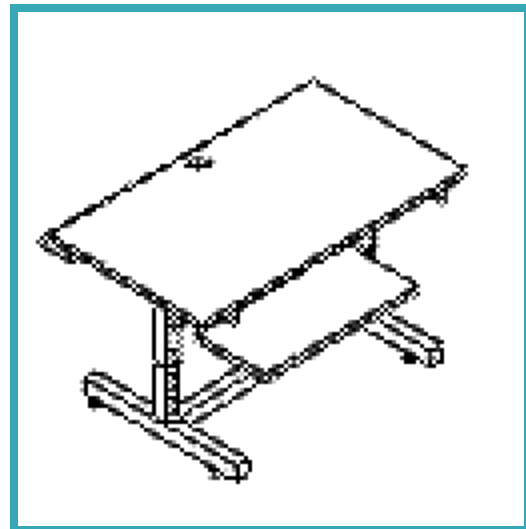

WM-1007   Computer Table 30" x 72" with removable legs, in available heights of 25", 27", and 29"
                (ESW: 89 lbs.)
WM-1007/6   Cableway Tray (72")
**MP-1007/6**   Modesty Panel (72")

OP-0031   Slideout Keyboard Tray

COMPUTER FURNITURE
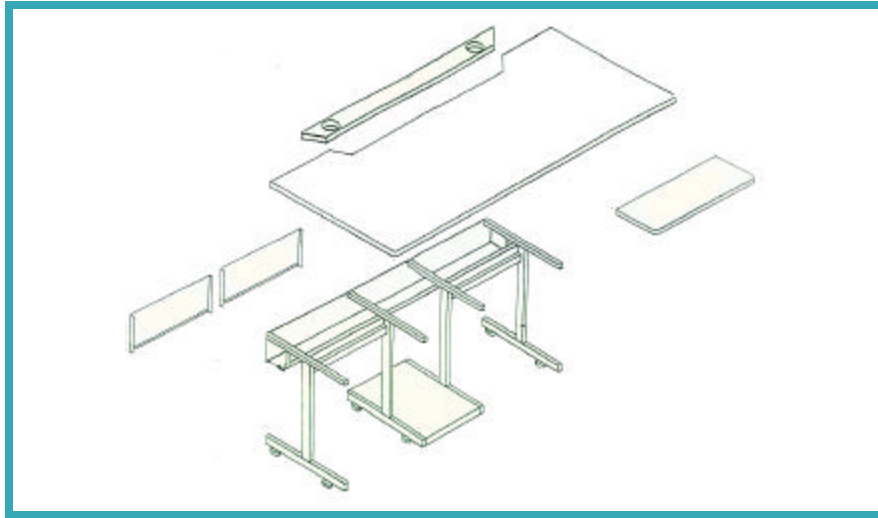

WM-1014   Student Desk, 72" x 24" with heights of 25", 27", 29".
Double CPU with cableway door, modesty panel, casters, with slideout keyboard tray and CPU cover to limit access to back of CPU. (ESW: 125 lbs.)
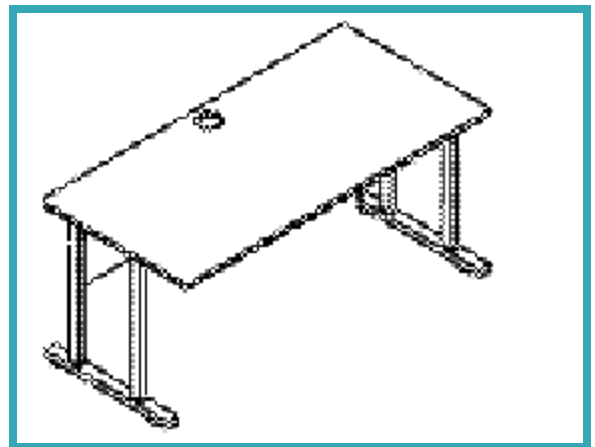

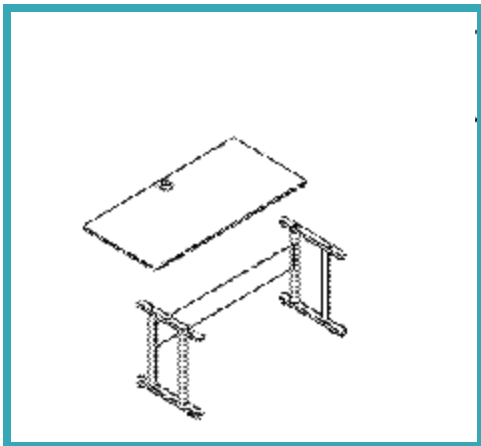

Data Tables

Simple and utilitarian, the table can be ordered in two sizes 36"w x 30"d or 48"w x 30d. Full 15" h modesty panel.

OP - 4145   **36" Data table**   (ESW: 65 lbs.)
OP - 4146   **48" Data table**   (ESW: 75 lbs.)

Did You Know...Arizona Correctional Industries computer furniture is built to meet the most demanding situations. It's innovative wood and metal construction yield an affordable computer desk with a perfect combination of ergonomic features, multi-purpose functionality, durability, and

Operator "L" Desk
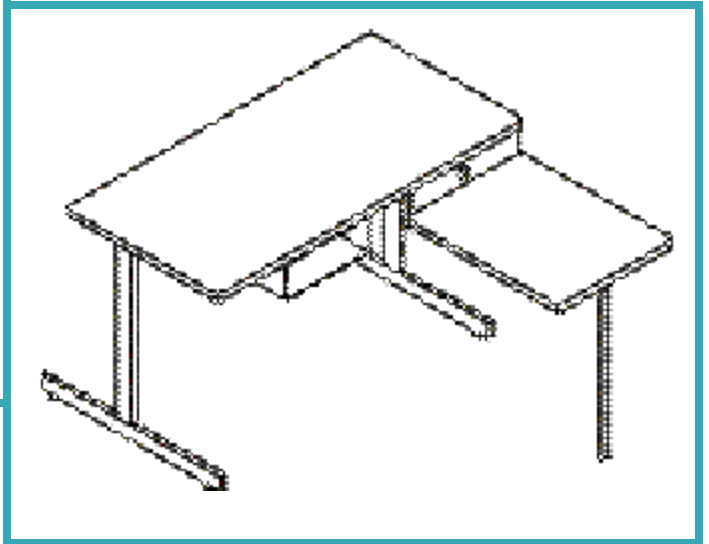

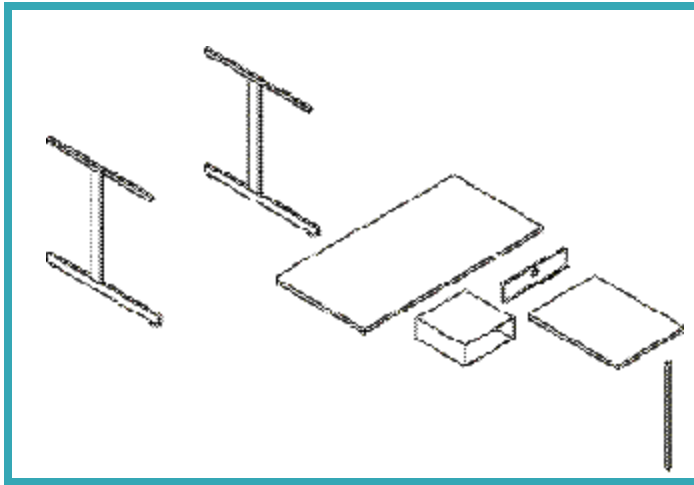

OP-4143   The main desk is 48"L x 29"h x 30"d,
with the L-extension 24"L x 26"h x 18"d.
Has 13" x 13" x 5" storage box.
(ESW: 85 lbs.)

Printer Table
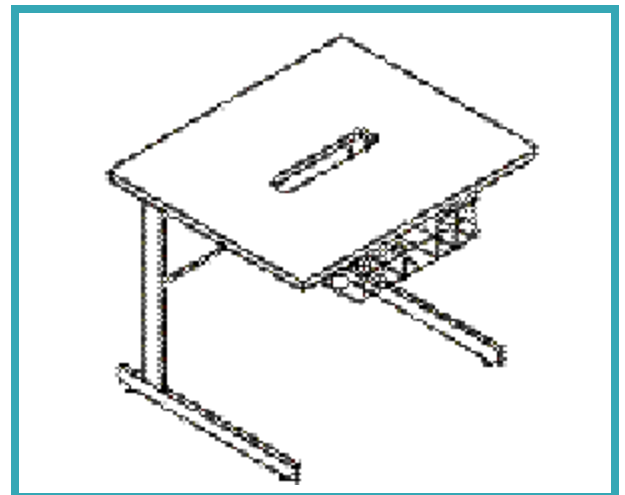

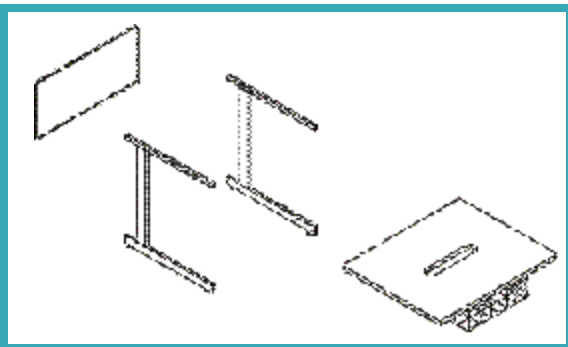

OP-4144   This 36"w x 27"h x 24"d with heavy-duty wire
forms basket, is designed for vibration
reduction. Both the laminate top and
continuous forms feed slot have radius corners
and impact-resistant vinyl T molding.
400 lbs. weight capacity. (ESW: 65 lbs.)

Bi-Level Work Stations
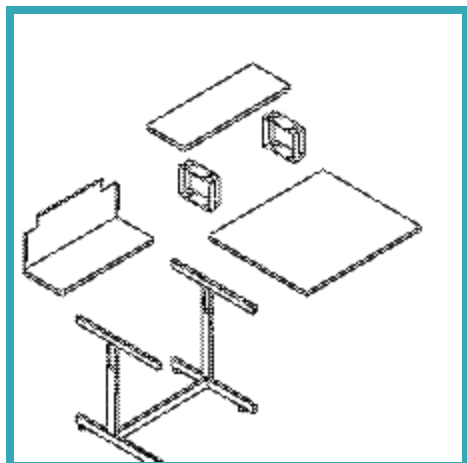

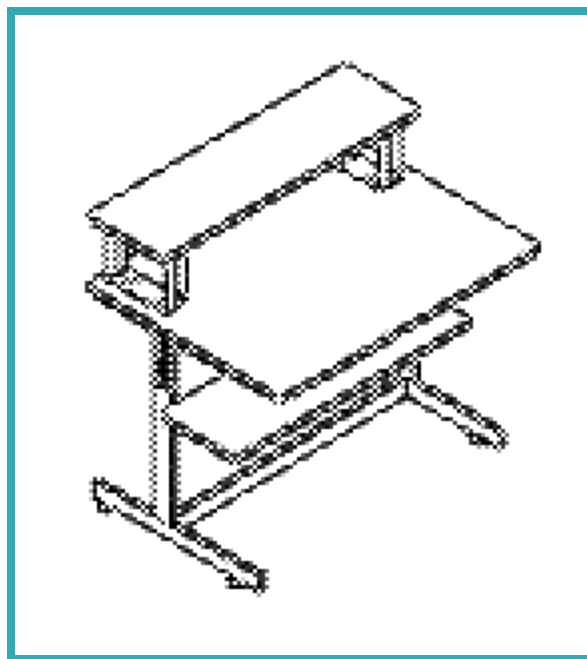

This versatile work table, with its 12"d monitor shelf, can be ordered in any of three sizes. 36"w x 30"d, 48"w x 30"d, and 60"w x 30"d. The table can be adjusted in height from 21" - 29" and comes with a full 15" modesty panel and shelf.

WM-4150   48" x 30" (ESW: 75 lbs.)
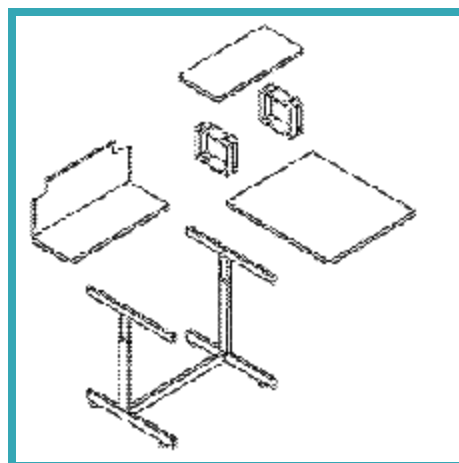

WM-4149   36" x 30" (ESW: 65 lbs.)
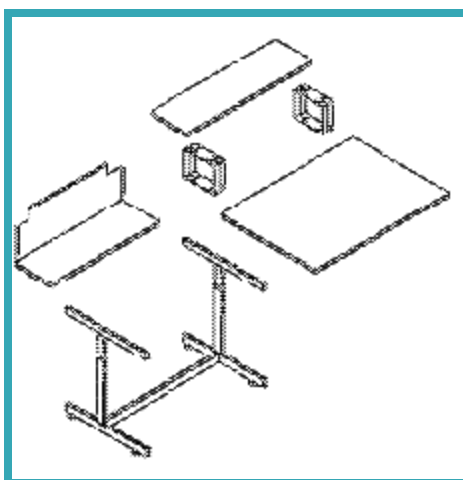

WM-4151   60" x 30" (ESW: 85 lbs.)

Articulating Keyboard Arm

OP-0030
The articulated keyboard pad is 29"w x 10"d, with a knob to adjust the height. Adjustable downward tilt from 3 to 15" and forward extension to 1".

Data Table Hutch

This unit is designed as an attachment to the keyboard table or the data table. Base construction is 3/4" glued and stapled furniture-grade particle board, surfaced with 1/16" post-forming grade laminant. Overall dimensions are 31"h x 1¹/²"d; the width corresponds to the matching table.

The upper cabinet section will accommodate books and binders to 13" high and is provided with sliding doors. Interior surfaces are coated with color-coordinated lacquer finish. The cabinet section base is 16 1/2" from the table surface and the back wall is lined with ¼" cork for a "bulletin board" effect. (ESW: 130 lbs.)

OP-4152-48   48" Hutch (ESW: 90 lbs.)
OP-4152-60   60"Hutch (ESW: 110 lbs.)

COMPUTER FURNITURE OPTIONS

Use this table to determine which features are standard and which are optional on all of our computer furniture. Features with an "S" in the box are standard. If an "O" is present, the feature listed is optional.

To Better Serve You . . . .

When placing orders for products or services contained within this catalog, please use the following as a guide when putting together your purchase request. For questions that are not covered here, please contact an ACI Sales or Customer Service Representative for assistance at (602) 255-1464.

Billing Information:
Fill this area out completely in order to assure that your invoice will be billed to the correct address

Product Codes:
List the product codes for the items you are ordering in the space provided. All catalog items should have a corresponding product code number.

Quantity:
Indicate the quantity ordered in the space provided.

Description:
Giving a part description will help us make sure that the product code and description match to help spot a potential problem before it can become one.

Indicate options desired and special requests regarding placement of options.

Shipping Information:
This information is crucial when attempting to deliver your order. Please include a contact person and a current phone number.

Size/Style/Color:
This is a crucial step in the ordering process. Without colors, finishes, or sizes, your order cannot be completed.

Indicate laminate color, paint colors, and any changes in size or arrangement.

Unit Price/Total Price:
by using the unit and total price fields, potential errors can be identified and corrected before items might be made incorrectly.
